*Proceedings of the Madras Government Public Works Department,
from 30th April to 3rd May 1859.*

No. 22. Read the following letter from Lieutenant-Colonel C. DAVIDSON, Resident at Hyderabad to the Chief Secretary to Government, Fort Saint George, dated Hyderabad Residency, 15th April 1859, No. 509.

I have the honor, in continuation of my letter No. 145, dated the 29th January last, to forward for the information of the Honorable the Governor in Council, the accompanying copy of a letter from the Under Secretary to the Government of India, in the Foreign Department, and beg to be informed, where, and under what arrangements, the Madras Government would wish the Duty of five per cent. to be levied by the Nizam's Government.

Letter from R. SIMSON, Esq., Under Secretary to the Government of India; to Lieutenant Colonel C. DAVIDSON, Resident at Hyderabad, dated Fort William, the 2nd April 1859, No. 1535.

I have received, and laid before the Governor General in Council your letter dated 29th January last, No. 30, submitting a copy of your correspondence with the Nizam's Minister, relative to the abolition of Transit Duties on the Godavery.

2nd. In reply, I am directed to inform you, that His Excellency in Council considers the Nizam's proposal to be reasonable, and that the 5 per cent. he will get, will be well earned if he puts a stop to the exactions of the Zamindars.

No. 23. ORDER THEREON, 30th April 1859, No. 1010.

Referred to the Chief Engineer for early report, after conferring with Colonel A. Cotton, and obtaining information, if necessary, from the Collector and the District Engineer.

2. It appears to Government that Buddrachellum will be a good place for levying the duty, as it is the last place of importance in the Nizam's Territory, and is sufficiently near Rajahmundry to enable the authorities there to receive and to notice any complaints made of irregularities in the assessing or the levying of the import. The Government apprehend that it is the intention of His Highness the Nizam to levy duties only on goods descending the river.

Secretary to Government.
