ECCLESIASTICAL DEPARTMENT.

No. 143.

Extract from the Minutes of Consultation under date the 16th April 1859.

Read the following letter from the Venerable VINCENT SHORTLAND, Archdeacon of Madras; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 11th April 1859, No. 73.

SIR,

I have the honor to enclose a letter to my address from the Church Committee of Cannanore under date the 6th Instant, reporting that on the occasion of the enlargement of the Church a few years ago, the former Belfry was removed, and requesting that a new one may now be built.

2. They also apply for certain *additional* implements for use in the Station Burial ground, in consequence of the extremely rocky nature of the soil, which was some time since brought to the notice of the Government.

3. I beg leave to recommend both applications for the favorable consideration of the Honorable the Governor in Council.

4. It appears to me that the former Belfry should not have been removed without a new one being at once provided for, as it is an essential part of the sacred edifice.

To the Venerable the Archdeacon of Madras, dated Cannanore, 6th April 1859.

VENERABLE AND DEAR SIR,

We have the honor to inform you that there is no Belfry to the Church at this Station, and to request that you will have the goodness to obtain the sanction of Government for the erection of one. The former Belfry was removed when the Church was enlarged a few years ago, and has never since been erected.

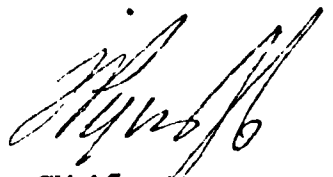

We have further to request that you will be kind enough to obtain the sanction of Government for the supply of 1 Hatchet for cutting, and 1 Hatchet for smoothing stones. These articles are absolutely required (owing to the nature of the soil of that part of the Burial ground which is now in use) and are not included in the present list of Tools authorized by Government for Churches.

(Signed)	C. RHENIUS, President,	} <i>Lay Trustees</i> } <i>Church Committee.</i>
(")	H. FITZGERALD, Brigadier,	
(")	G. W. GIRDLESTONE, Captain,	

Order.—The Inspector General of Ordnance and Magazines will cause the additional Tools required for use in the Burial ground at Cannanore to be supplied.

2. A plan and estimate of a Belfry for the Church will be called for through the Department of Public Works.

(True Extract and Copies.)

Chief Secretary.

To the Inspector General of Ordnance and Magazines.
