PUBLIC DEPARTMENT.

No. 602.

Extract from the Minutes of Consultation, under date the 18th April 1859.

Read the following letter from P. GRANT, Esq., Acting Collector of Malabar; to T. PY-CROFT, Esq., Chief Secretary to Government, Public Department, For Saint George, dated Cochin, 2nd April 1859, No. 27.

SIR,

In reply to Extract Minutes of Consultation, dated 11th March 1859, I beg to enclose copy of a letter* received from Mr. Cullin, Joint Magistrate at Cochin, *Dated 26th Ultimo, No. 62. in answer to one addressed to him on the subject of the small-pox ward proposed to be built near the Dispensary on a piece of ground purchased by Government from Mr. Lloyd for the purpose.

2. It appears that a temporary ward was built in 1858 by the community at an expense of Rupees 228-8, it has been recently thatched at a cost of Rupees 30 and is likely to last for some years. As it seems to answer the purpose for which it was erected, it may be well to leave it as it is. In the mean time a plan and estimate might be prepared for a new structure to be built on the present one becoming unfit for use.

From E. CULLIN, Esq., Joint Magistrate of Cochin; to P. GRANT, Esq., Acting Collector of Malabar, dated 26th March 1859, No. 62.

SIR,

With reference to your letter of the 21st March 1859, No. 655, I have the honor to state, that the erection of a small-pox ward at Cochin in the year 1858 cost the sum of Rupees 228-8 and that the whole amount was subscribed by the community of Cochin.

The small-pox ward is a temporary structure, but it is likely to last for some years.

It has recently been newly covered with cadjans at an expense of nearly Rupees 30, the money being supplied from a fund maintained by monthly subscriptions of the community for purposes connected with the Dispensary.

(True Copy.)

(Signed) P. GRANT,
Acting Collector.

Order.—The Government approve of the above suggestion.

(True Extract and Copies.)

Chief Secretary.
