*Proceedings of the Madras Government Public Works Department,
from 30th April to 3rd May 1859.*

No. 35. Proceedings of the Madras Government, dated 2nd May 1859, No. 1016.

22nd May
1859 - No.
1016

The Government observe in the Nellore District Gazette of the 7th April a Memorandum of the District Engineer prohibiting the employment of certain individuals in the Public Works Department of the District. It would appear from this Notification that the rule which prohibits the re-entertainment by one head of an Office of persons dismissed from the service by another, is not generally known in the Public Works Department; and the Governor in Council resolves to desire the Chief Engineer to circulate throughout that Department, the order of Government of December 2nd 1850 No. 1087 in the Revenue Department, which will be found among the printed Circular Orders of the Board of Revenue.

Secretary to Government.
