*Proceedings of the Madras Government, Public Works Department,
from 30th April to 3rd May 1859.*

No. 36. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 28th April 1859, No. 9875.

With reference to Extract Minutes Consultation No. 143 of the 21st January 1857, I have the honor to forward for the information of Government, the accompanying transcript of a letter from the Head Assistant Collector of Bellary, reporting on the state of the Burial Ground at Gooty, which is in good condition.

Letter from J. D. GOLDINGHAM, Esq., Head Assistant Collector of Bellary; to C. PELLY, Esq., Collector of Bellary, dated Pengondah, 5th April 1859, No. 27.

I have the honor to acknowledge the receipt of your letter No. 96 of the 29th March, and to inform you that I inspected the Burial Ground at Gooty on the 10th Ultimo. The ground is kept clear and free from shrubs owing to the orders I have given every year during my stay at Gooty and the Tombs are generally speaking in excellent order. A few have been lately chunamed afresh, but some still require repairs where the old chunam has become chipped. The vault from whence the body of Sir Thomas Munro was taken is not very tidy looking, and I would beg to recommend that it should be fenced with rails to mark the spot. The large Tombs are in excellent order, particularly that of Mr. Robertson, the former Collector of Bellary. On the whole I consider the Burial Ground at Gooty to be in capital condition.

No. 37. ORDER THEREON, 2nd May 1859, No. 1017.

Referred to the Ecclesiastical Department with reference to Extract Minutes of Consultation in that Department, dated 9th January 1857 No. 11.

(Signed) W. C. SIM,
Ag. Dy. Secretary to Government.
