144-45 Dated	11-1-	1859.

Not to be folded or roughly handled

Fort Saint George, Public Works Consultation of 11th January 1859.

No. 144. Read the following letter from Lieutenant-Colonel E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government dated 17th December 1858, No. 6394.

SIR,

With reference to para. 2 of Extract Minutes of Consultation of the 1st Instant, No. 2577, I have the honor to state that the Bill No. 13 for Rupees 11,839-4-0 having been retained by the District Engineer, instead of being returned with the three others submitted to Government, and having been omitted to be included in the statement of explanation furnished by him, it was in consequence omitted to be specially noticed in the report to Government of the 20th September last No. 3837. The District Engineer has however been called upon to submit without delay a statement of the kind he already submitted in respect to the above Bill, which with the Bill will be forwarded to Government immediately on its receipt.

No. 145. ORDER THEREON, No. 101; dated 11th January 1859.

Ordered that the foregoing letter be recorded.

(Signed) J. D. BOURDILLON,
Secretary to Government.

No. 6394

From

The Officiating Chief Engineer

To

The Secretary
to Government P.W.D.

Sir,

With reference to para 2 of Extract
Minutes of Consultation of the 1st Instant No. 2577
I have the honor to state that the Bill No. 13 for
Rupees 11,839: 4: 0 having been retained by the District
Engineer, instead of being returned with the three others
submitted to Government, and having been omitted to be
included in the Statement of explanation furnished by
him, it was in consequence omitted to be specially noticed
in the Report to Government of the 20th September last
No. 3837. The District Engineer has however been
called upon to submit without delay a Statement of the
kind he already submitted in respect to the above

Bill

Bill, which with the Bill will be forwarded to
Government immediately on its receipt. —

No. 6394

Ref

Statement referred to para 2 of Extract Minutes of Consultation No. 2597 of the 1st Instant. With the Bill therein proposed to having been retained by the District Engineer and having been omitted to be inclosed in the Statement of Explanation, it was accordingly omitted to be specially asked for in the Report to Government. Advises that the District Engineer has been called upon to forward the Bill in question with a Statement of Explanation on receipt of which they will be submitted to Government.

To be recorded WHB
