Fort Saint George, Public Works Consultation of 11th January 1859.

No. 146. Read the following letter from Colonel C. E. FABER, Chief Engineer; to the Secretary to Government, dated 10th January 1859, No. 6902.

SIR,

With reference to Extract Minutes Consultation No. 19 dated 4th January 1859, I have the honor to report for the information of Government, that Plans and Estimates for a Breakwater in Beitkul Bay were received in the Central Office from the Acting District Engineer of Canara on the 28th Ultimo, but as they were found on inspection to be defective and it was considered that there was no time to admit of reference on the subject being made to Government: Lieutenant Hunter's report together with its accompaniments were referred to the Acting Superintending Engineer of the Northern Circle, with instructions to report fully on the project, and to adopt measures for ensuring the submission of satisfactory explanatory drawings.

No. 147. ORDER THEREON, No. 102; dated 11th January 1859.

Ordered that the foregoing letter be recorded.
