No. 30. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 3rd May 1859, No. 45.

With reference to Extract Minutes of Consultation of the 26th February 1859, No. 458, directing legal measures to be taken to compel Sub-Overseers

1 Letter from District Engineer Bellary, No. 400, dated 12th March 1859.
Do. No. 438, dated 12th April 1859.
1 Do. Mr. Powell No. 255, dated 8th April 1859.

Yagambrum Moodelly and Kristnapah Moodelly to produce the requisite vouchers for their expenditure in the Adonie Talook of Bellary, during the months of May, June, July and August 1858, while they were employed under the late Assistant Supervisor Ross, I have the honor to state that the District Engineer of Bellary reports that on his suspending Yagambrum Moodelly, the missing Accounts were at once produced by him in Tamil, although he had strenuously up to that time asserted that he had given over to Mr. Ross every paper relating to his expenditure.

District Engineer's letter No. 400, dated 12th March 1859.

2. It appears, however, that there is a deficiency in this Sub-Overseer's Accounts of so large a sum as Rupees 1,337-9-10, and as he denies all knowledge of it, and can give no explanation, the District Engineer has instructed Mr. Powell, the Executive Officer under whom Yagambrum is employed, to prosecute him before the Magistrate at Adonie, and the result will be duly reported.

Letter from Mr. Powell to District Engineer, No. 255 of 8th April 1859.

District Engineer's letter of 12th April 1859, No. 438.

3. Sub-Overseer Kristnapah Moodelly having been transferred at the end of last year to Kurnool with the Punchapollim Talook, likewise, when called upon, stoutly denied having any means of verifying his expenditure during the same months of May, June, July and August 1858, on the plea that he had handed all his papers and Accounts over to Mr. Ross, but on his being ordered back to Adonie by the Chief Engineer's directions and confronted with Mr. Powell, the Officer in charge of the Talook, he found means to produce all the necessary documents and vouchers, and to clear himself of all demands against him except a trifling sum of Rupees 1-12-1 which he was immediately to make good.

4. Whatever may be the result of the Magisterial proceedings against Yagambrum Moodelly, I am of opinion that both he and Kristnapah Moodelly have shewn themselves so untruthful and untrustworthy as to be unworthy to remain in this Department, and I would recommend their immediate discharge.

Letter from Captain J. F. FISHER, District Engineer of Bellary; to the Chief Engineer, dated 12th March 1859, No. 460.

With reference to Extract from your Proceedings No. 8255, dated 2nd Instant, I have the honor to inform you that Mr. G. Powell, Assistant Executive Engineer, Department Public Works, now reports that, as soon as I suspended Sub-Overseer Yagambrum Moodelly, he produced vouchers for nearly the whole of his expenditure for which he had previously declared he had no records forthcoming having made over his papers, &c. to Mr. Ross, it now appears he only gave his Telooogoo papers to Mr. Ross and had by him during the whole time he so strictly denied having any records, the whole of the papers by him in Tamil.

I have not as yet heard from the District Engineer of Kurnool, what has resulted from an enquiry into Kristnapah Moodelly's conduct, but I beg the information I have now submitted may be forwarded to Government, and no legal proceedings undertaken in the matter.

Letter from Captain J. F. FISHER, District Engineer of Bellary; to the Chief Engineer, dated Ramandroog, 12th April 1859, No. 438.

1. With reference to Extract from your Proceedings No. 8255, dated 2nd March 1859, I have the honor to forward copy of a letter No. 255, dated 8th April 1859, from G. M. Powell, Esq., Assistant Executive Engineer, Department Public Works, stating he has received all vouchers, &c., from Sub-Overseer Kristnapah Moodelly.

Proceedings of the Madras Government, Public Works Department,
from 4th to 10th May 1859.

2. With reference to para. 2 of his letter I beg to say the Sub-Overseer belongs to the Kurnool District and I am unable to act in the matter.

3. With reference to para. 3, I beg to say I have instructed Mr. Powell to prosecute Sub-Overseer Yagambrum Moodelly before the Magistrate at Adonie, if his charge is established. I shall dismiss the Sub-Overseer altogether from this Department.

Letter from G. M. T. POWELL, Esq., Assistant Executive Engineer, Department Public Works; to Captain J. F. FISHER, District Engineer of Bellary, dated Adonie, 8th April 1859, No. 255.

With reference to Extract Minutes of Consultation No. 458, under date 26th February 1859, and your letter No. 1171 under date 22nd March 1859, I have the honor to report for your information that I am just in receipt of all the Accounts and necessary vouchers from Sub-Overseer Kristnapah Moodelly for the months of May, June, July and August 1858, which so soon as he remits 1-12-1 which he has in hand as a balance of Cash makes him clear of any further demands from this Office.

2. It is hardly necessary for me to bring to your recollection that this Sub-Overseer is one of those who on my first demanding the Accounts from him in November and December 1858, denied most positively his ability to furnish them, stating that Mr. Ross had all his original papers and that he had not a single document from which to prepare his Accounts.

3. I hope to be able in a few days to make a report nearly similar to this regarding Sub-Overseer Yagambrum Moodelly's Accounts, but fear I shall not be able to render any satisfactory explanation of the sum of Rupees 1,337-9-10, which as mentioned in my letter No. 223, under date 16th March 1859, is the sum total of accumulated deficiencies for the months of June, July and August 1858, as Sub-Overseer Yagambrum Moodelly still denies all knowledge of it.

No. 31.

ORDER THEREON, 6th May 1859, No. 1065.

The District Engineer's Proceedings in the case of these two Sub-Overseers are approved. The Chief Engineer will direct the immediate dismissal of both from the Public Service as unworthy of trust.

2. Mr. Powell should not be left unaided to conduct the prosecution of Yagambrum; but should be assisted by the District Engineer in all points in which he may require it. The Governor in Council looks to Captain Fisher to take care that the prosecution does not fail through any want of care or skill in its management. Para. 4 of the order of February 28th (No. 458) fully empowered him to secure the necessary help. The result of the prosecution will be reported without delay for the information of Government, with all necessary particulars.

(Signed) J. D. BOURDILLON,
Secretary to Government.

Sir, I have the honor to refer to Extract from your Proceedings No. 8255 dated 22nd instant. I have the honor to inform you that Mr. G. Powell Assistant Executive Engineer D. M. now reports that, as soon as I was informed Sub-Overseer Yagambrum Moodeliar he produced vouchers for nearly the whole of his expenditure for which he had previously declared he had no records forthcoming having made over his papers &c to Mr. Ross, it now appears he only gave his Telugu papers to Mr. Ross and had by him during the whole time he so strictly denied having any records the whole of the papers by him in Tamil.

I have not as yet heard from the District Engineer of Kurnool, what has resulted from an enquiry into Kristnapah Moodeliar's Conduct but the information I have now submitted may be forwarded to Government and no legal proceedings undertaken in the matter.
