*Proceedings of the Madras Government Public Works Department,
from 1st to 10th June 1859.*

No. 36. Read the following letter from Lieutenant-Colonel H. YULE, Secretary to the Government of India; to J. D. BOURDILLON, Esq., Secretary to the Government of Madras, dated Fort William, 30th April 1859, No. 2711.

I am directed to acknowledge your letter No. 623, dated 17th ultimo, and to convey the approval of the Governor General in Council of the sanction accorded by the Madras Government to the immediate construction of Skittle Alleys, Quoit Grounds, School-rooms, and Library for the Jackatallah Barracks, as also of that given to the immediate construction of the five Solitary Cells already provided for in the General Barrack estimates.

2. H. E. in C., however, observes that there is much that is unintelligible in respect to these Barracks.

3. The School-room and Library now sanctioned are found in the original sanctioned estimate, and, in the Progress Report to 31st December last, they are reported as considerably advanced; yet it is now stated that this work is about to be undertaken immediately. Neither is it easier to understand what is really the nature and present state of the arrangements of the Barracks, since the inference from the statement is that 1,400 men are to be accommodated in Blocks Nos. 1 and 2, which cannot be really intended.

4. I am also to remind the Government of Madras that the Special Report on these buildings, called for in September last, has not yet been received; and that there is still delay in the submission of an estimate for the additional Solitary Cells, called for by the Madras Government in December 1857, under the orders of this Government of the preceding July.

No. 37. ORDER THEREON, 3rd June 1859, No. 1346.

Ordered to be communicated to the Chief Engineer with the request that he will hasten the submission of the documents referred to in para. 4. The Government of India will be informed with reference to para. 3, that para. 3 of the order of March 17th No. 622 is inaccurately worded. The order ought to have been that the buildings in question should be hastened as much as possible.

(Signed) J. D. BOURDILLON,
Secretary to Government.

No. 38. Ordered in consequence that the following letter be despatched.

From J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George; to Lieutenant-Colonel H. YULE, Secretary to the Government of India, dated 3rd June 1859, No. 1347.

Adverting to the remark in para. 3 of your letter of the 30th April 1859 No. 2711, respecting the School-room and Library at Jackatalla, I am directed to intimate to you for the information of the Government of India, that para. 3 of the Resolution of this Government dated March 17, 1859 No. 622, regarding those buildings was inaccurately worded. The order ought to have been not that the work should be undertaken immediately, but that its completion should be hastened as much as possible.

2. The Chief Engineer has been requested to expedite the submission of the documents referred to in para. 4 of your letter under reply.
