MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letters :—

From the Quarter Master General of the Army, 20th May 1859, No. 216; to the Secretary to Government, Military Department.

I have the honor to annex a copy of a letter from Lieutenant Colonel Lawford [forwarded by the Chief Engineer D. P. W. for the information of His Excellency the Commander-in-Chief,] reporting certain proposed arrangements of the Jackatalla Barracks, for the accommodation of the Mess, Schools, Library, and Public Worship of the 60th Rifles. His Excellency desires me to say, he fully approves of the judicious arrangements which have been made with the concurrence of Colonel Bedford—and will obviate for the present, the necessity of building a temporary Mess House, as sanctioned in order of Government, Military Department No. 1521, dated 27th April 1859.

From Lieutenant Colonel Lawford, Superintending Engineer, C. Circle, on special duty Jackatalla, 6th May 1859, to the Chief Engineer P. W. D. Fort Saint George.

In acknowledging the receipt of Extract Minutes of Consultation No. 1521, dated 27th April 1859, I have the honor to state, that one of the Barrack Blocks of which the lower walls are up has been thatched in, and used as a Carpenters Workshop, and this building Captain Farewell has suggested should be appropriated as a temporary Officers Mess House.

2. Colonel Bedford having fully approved of this arrangement, the place will be cleared out and prepared for occupation by the 15th proximo.

3. The Mess however will only require half Block, and the other half I propose to allot as a temporary school room and place for Public Worship; thus setting free, the Barrack room now used for those purposes and this plan also meets with Colonel Bedford's full concurrence.

4. Thus at a comparatively small expense, the requisite provision [temporary] for Mess Schools, Library, and Public Worship will be made, and the Regiment will have three complete Barracks besides the Staff Quarters for occupation, while the great waste of labor involved in the construction of temporary buildings will be avoided.

5. Copy of this letter has been forwarded to Colonel Bedford for communication to Army Head Quarters.

ORDER, No. 1818, 21st May 1859.

The Governor in Council approves of the arrangements reported in the foregoing letter, which will be communicated to Departments concerned.
