*Proceedings of the Madras Government, Public Works Department,
from 1st to 10th June 1859.*

No. 53. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 26th May 1859, No. 72.

With reference to your Memo. of the 28th February 1859, I have now the honor to forward herewith the Trace of the Districts of Kurnool and Caddapah, therein called for—it was received from the District Engineer, through the Collector, on the 21st Instant.

2. I beg that it may be returned to this department when no longer required.

No. 54. ORDER THEREON, 4th June 1859, No. 1355.

It was particularly desired in the Memo. of the 28th February that all the villages mentioned in the Collector's letter should be given in the tracing; and as they are not to be found in that now submitted, it is resolved to return the tracing to the Chief Engineer with instruction to cause the deficiency to be supplied with the least possible delay. The names of all the villages above referred to should be inserted in their proper places, and underscored with red ink. Much needless trouble has been expended on details remote from the boundary and not asked for; while what was specially asked for is omitted. The Governor in Council cannot but notice the long delay that has occurred on the part of the District Engineer in furnishing this very defective information.

(Signed) J. D. BOURDILLON,
Secretary to Government.
