*Proceedings of the Madras Government, Public Works Department,
from 1st to 10th June 1859.*

No. 100. Read the following letter from V. H. LEVINGE, Esq., Acting Collector of Tinnevely; to J. D. BOURDILLON, Esq., Secretary to Government, dated Kytaur, 27th May 1859, No. 206.

With reference to the first part of para. 3 of Extract from the Minutes of Consultation dated 15th March 1859, in which it is stated that the avenue trees in all Districts excepting Tanjore are placed in charge of the Department of Public Works, I have the honor to bring to notice that the orders of Government contained in Extract Minutes Consultation, dated 9th June 1858, as respects the avenue trees in this District appears to have been overlooked; by that order the trees in this District were to be in charge of the Collector as in Tanjore, they being the property of the villagers and not of the Government. I have the honor to request instructions as to whether the orders of Government, dated 9th June 1858, are to be in force in this District or the order as contained in Extract Minutes Consultation dated 15th March. The reason for my making the reference is that I directed certain avenue trees to be clipped, the branches of which inconveniently overhang the road, an Overseer stopt the work and sold the branches, and the Engineer Officer has directed me not to cut any trees without his permission.

No. 101. ORDER THEREON, 9th June 1859, No. 1378.

The Acting Collector will be informed that the order of March 15th 1859 was not intended to supersede that of June 9th 1858.

2. The avenue trees in Tinnevely will remain under the charge of the Revenue Department, and the District Engineer will be directed to pay over to the Collector the produce of the sale of clippings referred to in the latter part of Mr. Levinge's letter.

(Signed) J. D. BOURDILLON,

Secretary to Government.
