*Proceedings of the Madras Government, Public Works Department,
from 1st to 10th June 1859.*

No. 107. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer;
to J. D. BOURDILLON, Esq., Secretary to Government, dated 31st May 1859,
No. 1112.

With reference to Extract from the Minutes of Consultation No. 1051, dated 2nd June 1858, I have the honor to forward, for submission to Government, two Plans and one Estimate amounting to Rupees 210, for swinging the Bell in the Government Church at Combaconum, in the District of Tanjore.

2. The Bell in the Government Church at Tranquebar is rung and not struck with a hammer or mallet.

3. The accompanying Plan dated 31st July 1858, was returned to the District Engineer with a request that he would re-submit the same, shewing the elevation and section of the Tower, and its position with reference to the Church. To this requisition, Captain Oakes forwarded the other Plan dated 21st April 1859.

4. The Venerable the Archdeacon of Madras, for whose opinion the Plans and Estimate were forwarded, states* that the mode proposed by the District Engineer for swinging the Bell appears quite satisfactory.

5. The Estimate has been examined in this office and found correct. The rates therein given are moderate but sufficient to carry out the work, and are those obtaining in the Tanjore District. I beg therefore to recommend that Government be pleased to sanction the amount, viz. Rupees (210) two hundred and ten.

No. 108.

ORDER THEREON, 7th June 1859, No. 1381.

Referred to the Ecclesiastical Department with reference to the order in that Department dated 18th May 1858 No. 162.

(Signed) W. C. SIM,
Actg. Dy. Secretary to Government.

V. 1112
From The Chief Engineer
To The Secretary to Government
Public Works Department

Exclusively
lit.

With reference to Extracts from
the Minutes of Consultation 12.10.51, dated 2 June
1858, I have the honor to forward, for submission to
Government, two Plans and one Estimate amounting
to Rupees 210, for swinging the Bell in the Govern-
ment Church at Combaconum, in the District of
Tanjore.

2 The Bell in the Government
Church at Tanquebar is rung and not struck with
a hammer or mallet.

3 The accompanying Plan dated 31st
July 1858, was returned to the District Engineer
with a request that he would resubmit the same,
showing the elevation and section of the Tower, and
its position with reference to the Church. To this
requisition

requisition, Captain Oakes forwarded the other Plan
dated 21st April 1859.

4 The Venerable the Archdeacon
of Madras, for whose opinion the Plans and Estimate
were forwarded, states that the mode proposed by
the District Engineer, in carrying the Rail appears
quite satisfactory.

5 The Estimate has been examined
in this Office and found correct. The rates therein
given are moderate but sufficient to carry out the
work, and are those obtaining in the Tanjore District.
They therefore to recommend that Government to be
pleased to sanction the amount viz (Rupees 210) two
hundred and ten.
