*Proceedings of the Madras Government, Public Works Department,
from 1st to 10th June 1859.*

No. 124. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer ;
to J. D. BOURDILLON, Esq., Secretary to Government, dated 1st June 1859,
No. 1143.

With reference to Extract Minutes Consultation No. 960, dated 21st April last, I have the
honor to forward for the consideration and orders of Government;
1 Letter from the Brigadier Com- the accompanying revised Plan and Estimate, amounting to Ru-
manding the Mount, No. 224, dated 14th May 1859. pees (15,450) fifteen thousand, four hundred and fifty, for con-
1 Plan. structing a new School room with Out-offices at Saint Thomas' Mount.
1 Estimate.

2. The Officer Commanding, to whom the original plan was forwarded, with a view to a
reduction being made in the Estimate, suggests the following modifications ; that the School
Master and Mistress' Quarters, together with a portion of the School room be omitted for the
present, but that an arch be built, so that if found necessary hereafter, the building might be
lengthened. The Brigadier however observes, that the verandahs are indispensably necessary
as the building would otherwise be exposed to the sun and the heat within would be very great.

3. The reduction caused by these modifications amounts to Rupees (9,050) nine thousand
and fifty, the former Estimate having been Rupees (24,500) twenty-four thousand and five
hundred, while the present one, as mentioned above, is only Rupees (15,450) fifteen thousand,
four hundred and fifty, which provides for a lower and upper story, 2 Cook-rooms and a Privy.

No. 125. ORDER THEREON, 8th June 1859, No. 1389.

Referred to the Military Department with reference to the Memo. from that Department
dated 13th April 1859.
