*Proceedings of the Madras Government, Public Works Department,
from 1st to 10th June 1859.*

No. 158. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 3rd June 1859, No. 1217.

I have the honor to forward for the consideration and orders of Government, the accompa-

- 1 Letter from the Garrison Engineer No. 763, dated 26th March 1859.
- 1 Do. from do. No. 28, dated 11th May 1859 with 1 enclosure.
- 1 Abstract Estimate.

nying Estimate prepared by the Garrison Engineer, amounting to Rupees (120) one hundred and twenty, for fixing glazed shutters to the windows of the office of the Superintendent Gun Powder Manufactory.

2. In Extract Minutes Consultation No. 366, dated 10th February last, the Government accorded sanction to the Estimate amounting to Rupees 5,400, submitted in the late Officiating Chief Engineer's letter No. 3061, dated 24th August 1858, for building an upper story to the Office of the Superintendent of the Manufactory, but as the late Garrison Engineer reported in his letter No. 763, dated 26th March last here-

with enclosed, that certain alterations* and additions, not provided for in the original Estimate, were found on an examination of the build-

ing to be indispensably necessary, that Officer was instructed to execute the work, on the distinct understanding, that the cost did not exceed the estimated amount by more than 5 per cent. As under these circumstances it is beyond my province to sanction the present Estimate, I have the honor to request the early and special sanction of the Honorable the Governor in
