*Proceedings of the Madras Government, Public Works Department,
from 1st to 10th June 1859.*

No. 165. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer;
to J. D. BOURDILLON, Esq., Secretary to Government, dated 2nd June 1859,
No. 1210.

With reference to the correspondence noted in the margin, I have the honor to report that
the Quarter Master General having been requested to
furnish information as to the modifications introduced
in the standard of the buildings for Horse Batteries
which received the approval of Government in Extract Minutes of Consultation, No. 3449 of
the 15th October 1857, Military Department, has forwarded to this office the accompanying
standard plan which has received the approval of his Excellency the Commander-in-Chief.

2. I request that the Government will be pleased to authorize the plan in question being
lithographed and circulated to the Officers of the Department for adoption at such stations in
which the buildings may be required. The cost of the buildings can then be estimated by the
local Officers.

No. 166. ORDER THEREON, 10th June 1859, No. 1410.

Referred to the Military Department.
