Not to be folded or roughly handled

1

*Proceedings of the Madras Government, Public Works Department,
from 1st to 10th June 1859.*

No. 167. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer;
to J. D. BOURDILLON, Esq., Secretary to Government, dated 31st May 1859,
No. 1103.

I have the honor to forward for submission to Government, the accompanying Plans and Estimate, amounting to Rupees (4,200) four thousand and two hundred, for opening archways in the south and north ends of the European Barracks in the Fort, with a view to obtain a free circulation of air, through the building.

2. The Estimate was prepared by the late Garrison Engineer, in communication with the Commandant of Engineers, and under personal instructions from the Honorable the Governor; and as the work is represented to be of an urgent nature, I request the early sanction of Government to the amount above mentioned.

No. 168. ORDER THEREON, 10th June 1859, No. 1411.

Referred to the Military Department for consideration.

(Signed) W. C. SIM,

Acting Dy. Secretary to Government.

Military.
