*Proceedings of the Madras Government, Public Works Department,
from 1st to 10th June 1859.*

No. 195. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer ;
to J. D. BOURDILLON, Esq., Secretary to Government, dated 19th May 1859,
No. 642.

With reference to the Proceedings of the Madras Government under date the 13th May 1859 No. 1146, calling my attention to Extract Minutes Consultation No. 302 of the 3rd February 1859, directing the submission of Plans and Estimates for certain improvements and additions to the Barracks in Fort Saint George, I have the honor to inform you, that on the 6th instant the Garrison Engineer reported that, in consequence of personal intimation from the Honorable the Governor that a third story would not be required if the openings, he at the same time received instructions to make at the north and south ends of the building to admit of a free circulation of air, were formed, the preparation of the Plans and Estimates in question was set aside and others according to His Excellency's instruction put in hand.

No. 196. ORDER THEREON, 10th June 1859, No. 1424.

Ordered that the foregoing letter be recorded.

(Signed) J. D. BOURDILLON,
Secretary to Government.

Military

No 642

From the Chief Engineer.

To the Secretary to Government O. W. D.

Sir, With reference to the Proceedings of the Madras

Government under date the 13th May 1859 No 11.6 calling my attention to Ex: Min: Cons: No 302 of the 3rd February 1859 directing the submission of plans and Estimates for certain improvements and additions to the Barracks

in Fort Saint George, I have the honor to inform you, that on the 16th instant the Garrison Engineer

reported that, in consequence of personal intimation from the Hon^{ble} the Governor that a third story would

not be required if the openings, he at the same time

received instructions to make at the North and South

ends of the building to admit of a free circulation

of air. were formed, the preparation of the Plans

and Estimates in question was set aside & others

according to His Excellency's instruction put in hand.

This is not the only improvement. The bells & kitchen will also be removed from the side of the Barracks, and a veranda will be attached to the eastern face.

The report of the Committee of Medical Officers of the Madras Garrison has been forwarded to the Central Office of O. W. D.

Fort Saint George,

19th May 1859.

W. B.
S. City Engineer

I have the honor to be,

Sir,
Your most Obedt Servt

J. H. Bell
Chief Engineer.
