No. 203. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer ;
to J. D. BOURDILLON, Esq., Secretary to Government, dated 26th May 1859,
No. 866.

I have the honor, with reference to para. 4 of the order of Government as per margin, to
state that the "Tartar" has brought out three Steam Tugs for Dredges,
one of which the Store Department of this office is now landing, as it
is intended for Negapatam, and the other two will be sent on for the Northern Ports of Masuli-
patam and Coringa.

P. S.—It would appear from the letters from the Home Government communicated with
the Orders of Government of the 1st of September 1858 and 26th of March 1859, that these
Tugs as well as the five on board the "Sourisquois" and the three
brought out by the "Cornwallis" were consigned to this Port and to
Coringa without reference to the Department of the Inspector General of Ordnance, simply for
Engineering purposes.

No. 204. ORDER THEREON, 10th June 1859, No. 1428.
Ordered that the foregoing letter be recorded.
