*Proceedings of the Madras Government, Public Works Department,
from 1st to 10th June 1859.*

No. 213. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer ;
to J. D. BOURDILLON, Esq., Secretary to Government, dated 30th May 1859,
No. 1044.

With reference to para. 7 of the Proceedings of the Madras Government, under date 3rd
May 1859 No. 1029, I have the honor to state for the information of Government, that the
Special Executive Engineer at Jackatalla reports on the 19th May 1859 No. 18, that there are
three pieces of Machinery on the Jackatalla Works, viz., two Peat Presses and one Morticing
Machine.

2. One of the Peat Presses was broken in being taken up the Ghaut, not seriously in-
jured, is now being repaired and will with the other be very useful in preparing fuel for the
Steam Saw Machine just despatched.

3. The Morticing machine is in good order, and has been of the greatest service. A
European working it, turning out as much work as 8 Native Carpenters in one day.

4. A requisition has been made to the Chief Engineer, Department Public Works, in
Calcutta, soliciting assistance either in supplying this Presidency with
