Read again letter from the Chief Engineer, dated 18th and recorded in Proceedings of the 26th May 1859, No. 1261.

Read also the following papers.

No. 80. From J. L. LUSHINGTON, Esq., Civil Auditor; to J. D. BOURDILLON, Esq., Secretary to Government, dated 1st June 1859, No. 273.

With reference to the orders of Government, dated 26th Instant No. 1261, calling for a report upon the claim for salary preferred by Lieutenant G. V. Law, I have the honor to state for the information of Government, that Lieutenant G. V. Law, * Vide Fort Saint George Gazette, dated 19th February 1858. held no permanent appointment in the Department of Public Works, but was Acting* as 4th class Executive Engineer during the employment of Lieutenant Beckly on other duty, who had obtained promotion by the temporary absence of Captain Hemery on Field or Foreign service.

2. On Captain Hemery resuming his duties at Cuddapah on the 5th March last, the several Officers affected by his return reverted to their permanent appointments; so that Lieutenant Law who held no permanent appointment was no longer in the Department.

3. When therefore the bill for Lieutenant Law's salary for the period subsequent to Captain Hemery's return was submitted to this Office for audit, I was unable to admit it from the fact of that Officer holding no office in the Department; but as the Chief Engineer states that through some inadvertence Lieutenant Law continued in the performance of his duties to the date of his re-appointment the Government, may be pleased to accede to the proposal of the Chief Engineer.

No. 81. Official Memorandum from J. L. LUSHINGTON, Esq., Acting Civil Auditor; to J. D. BOURDILLON, Esq., Secretary to Government, dated 10th June 1859, No. 293.

In reply to the official Memo. from the Secretary to Government in the Public Works Department under date the 9th Instant, No. 127, the Civil Auditor has the honor to state, that the 5th of March 1859 is the correct date on which Captain Hemery rejoined the District of Cuddapah, as per his report to this office dated 1st April 1859, No. 1537 of 1858-59.

2. Lieutenant Law's salary has been passed up to the 4th March as Acting 4th class Executive Engineer vice Campbell; the period therefore for which the special orders of Government for the disbursement of his allowances is required is from the 5th March last to 5th April 1859.

No. 82. ORDER THEREON, 16th June 1859, No. 1480.

Under the circumstances represented in the above papers the Government sanction the disbursement of Lieutenant Law's salary and allowances from the 5th of March to the 5th of April 1859, from the general funds as an extra charge.

Secretary to Government.
