**MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.**

Read the following letter :—

From the Chief Engineer Central Office, of Public Works Fort Saint George, 2nd July 1859, No. 2340 ; to the Secretary to Government, Public Works Department.

Enclosures 4.

- 1 Letter from the Garrison Engineer, with
- 2 Enclosures.
- 1 Abstract Estimate.

I have the honor to forward for submission to Government, the accompanying Estimate as per margin, amounting to Rupees (290) two hundred and ninety, prepared by the Garrison Engineer, agreeably to the orders of the Honorable the Governor, conveyed through the Town Major.

For putting up 4 Ventilators in the roof of each ward of the Hospital of the Madras Sapper Militia, and 1st Native Veteran Battalion, for erecting a partition wall between the Hospital and the Residence of the Apothecary, and for fitting up with Shelves, the Store-room attached to the former.

2. The necessity for the Ventilators to the Hospital is strongly urged by the Garrison Assistant Surgeon, on the ground that they

"would be found efficacious in purifying the air, and tend to the more rapid recovery of the Sick." Dr. Montgomery has also recommended the construction of a partition wall between the Hospital and the Residence of the Apothecary, as the family of the latter are liable to much annoyance from the Sepoys located in the wards almost contiguous to their dwelling.

3. The Medical Officer has also brought to notice, that with a view of keeping in safe custody the annual supplies of Medicines received for the Sapper Militia and the 1st Native Veteran Battalion, it will be necessary to fit up with Shelves, the Cook-room proposed to be converted into a Store godown.

4. The above works being very urgently required, have been commenced and are now under execution, and I therefore request the early sanction of Government to the amount of the Estimate now submitted, to be disbursed from the general funds at the disposal of the Garrison Engineer.

ORDER, No. 2383, 4th July 1859.

Approved for immediate execution.
