Abstract Estimate for
Constructing Armouries
Shop at Jackatalla in the
District of Coimbatore
Amounting to Rs. 3400

MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Chief Engineer, Fort Saint George, 19th September 1859, No. 5145; to the Secretary to Government, Public Works Department.

I have the honor to forward for submission to Government, a Plan and Estimate amounting to Rupees 3,400, for constructing an Armourer's Forge at Jackatalla.

Enclosures 4.
1 *Original letter No. 85 dated 14th July 1859, from special Executive Engineer Jackatalla.*
1 *do. No. 2079 dated 9th September 1859, from Qr. Mr. Genl.*
1 *Plan.*
1 *Abstract Estimate Rupees 3,400.*

2. In the amount (Rupees 15,71,500) originally sanctioned* for the European Barracks and the subsidiary buildings, an Estimate of Rupees 990 is included for the Armourer's Forge, but no plan of the building was made. Having satisfied himself from personal enquiry when on a recent visit to Jackatalla, Lieutenant Colonel Lawford is of opinion, that the amount (Rupees 990) already sanctioned is insufficient for the construction of a suitable Forge for the repair of the superior description of Arms now issued to European Regiments.

* *Extract Minutes of Consultation No. 1599, dated 18th August 1857.*

3. The enclosed plan has been prepared in communication with the Officer Commanding Her Majesty's 3rd Battalion 60th Rifles, who states the work to be urgently required as mentioned by Captain Farewell in his letter quoted in the margin, and in token of his approval Colonel Bedford has countersigned it.

No. 85 dated 14th July 1859.

4. His Excellency the Commander-in-Chief "quite approves of the Plan."

Letter No. 2079 dated 9th September 1859, from the Quarter Master General of the Army.

5. The Estimate has been examined in this Office and the necessary corrections made, and the rates given in it are moderate but sufficient to carry out the work. I therefore request Government will be pleased to accord early sanction for the immediate construction of the Forge estimated at Rupees (3,400) three thousand and four hundred.

ORDER, No. 3439, *27th September* 1859.

Approved for immediate execution, the Building being urgently required; provided it can be undertaken without impeding the progress of the essential works referred to in para. 7 of the Proceedings of Government, Public Works Department dated 7th September 1859, No. 2151.
