Proceedings of the Madras Government, Public Works Department.

Read the following letter from the Chief Engineer.

Submits for the orders of Government, a question regarding the maintenance allowance of the Cantonment roads at Secunderabad. } (Here enter 21st September 1859, No. 5232.)

ORDER THEREON, *26th September* 1859, *No.* 2299.

The orders of the Government of India of the 21st December 1858 No. 1510, divested this Government of all direct control over the military buildings at Secunderabad; and all public works connected with the comfort and convenience of the Hyderabad Subsidiary Force must be held to come under those orders. The outlay on buildings is indeed charged to this Government; but it is by adjustment in the accounts, not by the provision of funds; and the same course must be followed in the case of the allowance granted for the maintenance of the Cantonment roads. Neither the buildings nor the roads have a place in the budget, and no part of the funds therein contained, can be devoted to either.

2. This order will be communicated to the Military Department with reference to the orders in that department dated 19th August and 7th September 1859, Nos. 2963 and 3157.

(True Extract.)

To the Resident at Hyderabad No. 2964, *dated 19th August* 1859.
