MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No. 2464 Press Mis.

No. 81.
Dated 11—10—1859.

Not to be folded or roughly handled

No. 80. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 4th October 1859, No. 5721.

I have the honor to submit for the orders of Government, an estimate amounting to Rupees 1,040, received from the Civil Architect, for repairing the roadway over the Government bridge, which has been placed under his charge by the orders contained in paragraph 7 of Extract Minutes of Consultation No. 1144, dated the 13th June 1857.

Enclosures 4, 2 original letters with 1 enclosure, and 1 abstract estimate.

2. From Captain Hitchin's letter of the 23rd ultimo, it will be observed that the municipal authorities have twice called his attention to the bad and uneven state of the road in question, and that he was, therefore, obliged to commence the work.

No. 846.

3. The estimate has been examined and revised in this office, and as, under the recent allotment of expenditure, the funds specially set apart for repairs of roads not provided with maintenance grants have been reduced, and are insufficient to meet the amount of the present estimate, and as I fully concur in the necessity for the work, I request that Government will be pleased to sanction its execution from the general funds at the disposal of the Civil Architect, who reports that the work can be completed within two months.

No. 81. ORDER THEREON, 11th October 1859, No. 2414.

The Government sanction the estimate submitted with this letter, and grant authority for carrying out the work at once out of the general funds allotted to the Civil Architect in the order of 21st September 1859 No. 2264.

(Signed) T. PYCROFT,
Chief Secretary.
