*Proceedings of the Madras Government, Public Works Department,
for the month of November 1859.*

No. 31. Read the following letter from J. BAILEY, Esq., Colonial Secretary at Colombo; to the Chief Secretary to the Government of Fort Saint George, dated 12th October 1859, No. 60.

I am directed to transmit to you, two nominal lists of artificers sent from Cochin and Tanjore, for employment on the irrigation works at Batticoloa, shewing the sums remitted to their families from 16th August to 15th September last, and from 21st July to 20th August last inclusive, amounting together to £137-0-8, drafts for which have been forwarded to the Colonial Treasurer with instructions to credit the Madras Government with the amount.

I am also to transmit for the information of the Honorable the Governor in Council, the annexed copy of a letter from Captain Phillpotts.

Letter from Captain W. PHILLPOTTS, R. E.; to the Honorable the Colonial Secretary, Colombo, dated Erecamam Villoo, Batticoloa, 23rd September 1859, No. 116.

I have the honor to enclose the following nominal lists of the Indian artificers employed here, viz.

For the Cochin carpenters, shewing the family remittance sent on account of each man, from 16th August to 15th September inclusive, amounting in all to £7.

For the Tanjore bricklayers, shewing the family remittance on account of each man, from 21st July to 20th August inclusive, amounting in all to £130-0-8.

I have forwarded drafts to the Hon'ble the Treasurer for the sums here stated.

I further beg to acquaint you of my having sent drafts to the Treasurer for £37-12-0, being the expense incurred by the Madras Government in sending eight Cochin carpenters here, as stated in the letter, No. 4039, dated 1st May 1859, from the Secretary to Government, Fort Saint George, to your address, and for £543-1-0, being the expense (less £10) claimed by the Madras Government, for sending bricklayers and well-sinkers here last June, as stated in the letter, No. 1906 of 9th August 1859, from Secretary to Government, Fort Saint George, to your address.

The reason £10 less was sent is, that sum was paid the Tindal of the "Hydroos" at Batticoloa on account; the passage money to be paid by the Indian Government is, therefore, £70 instead of £80, as stated in the letter above referred to.

I shall feel obliged by your obtaining for me sanction to bring the charges incurred by the Madras Government for batta, passage money, &c. to account on my own voucher, as was done in the case of the men who were here last year.

Nominal list of Cochin Carpenters employed in the Batticoloa District of Ceylon, shewing the amount remitted by each man to his family.

*Proceedings of the Madras Government, Public Works Department,

No. 32. ORDER THEREON, 3rd November 1859, No. 2582.

1. Ordered that copy of the foregoing letter and of the papers accompanying be forwarded to the Chief Engineer and to the Accountant General for their information and guidance respectively.

2. The sums credited to this Government in the accounts of the Colony are,
£s7 remitted by the Cochin carpenters to their families for the month, 16th August to 15th September 1859.

£s130-0-8 remitted by the Tanjore bricklayers to their families for the month, 21st July to 20th August 1859.

3. The Government are not aware whether the families of the Cochin artizans have received any advance; if they have not, arrangements should be at once made for disbursing the former sum to them.

4. As regards the families of the bricklayers, advances have already been made to them by the officers of this Government, and the remittance on their behalf requires only to be adjusted in account. There is however a discrepancy which will need to be ascertained and corrected. The sum advanced by the District Engineer of Tanjore for the month ending 20th August is Rupees 1,302 or £s130-4; whereas the sum now remitted on the same account and for the same period, including also small sums found on the persons of those artizans who had died is £s130-0-8. The District Engineer of Tanjore will ascertain the cause of this discrepancy and correct it if in his power, if not he will report the facts for communication to the authorities in Ceylon.

Secretary to Government.
