*Proceedings of the Madras Government, Public Works Department,
for the month of November 1859.*

No. 114 Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer;
to J. D. BOURDILLON, Esq., Secretary to Government, dated 23th October 1859,
No. 6611.

I have the honor, with reference to the order of Government as per margin, to state that
October 24th 1859, No. 2499. when I became aware of the misbehaviour of the Brahmin and
No. 4235, dated 25th August 1859. Soodra Sub-Overseers in Tinnevely, in refusing to place money
in the hands of a Pullar, I caused a letter to be addressed to the
acting District Engineer, requesting him to take measures for the prevention of this objection-
able practice, and to report any further instance of it that might be brought to his notice, inti-
mating to the Sub-Overseers that such offences, would, when known, be immediately punished.

2. The passage in the administration report referring to Captain Bean, must have escaped
my notice, or I should certainly have pointed out to that officer, the impropriety of his sugges-
tion.

3. The Minute of the Honorable the Governor and the order of Government will, as di-
rected, be communicated to the officers concerned, with a request for an explanation from the
acting District Engineer of Tinnevely, and will be circulated to the department.

No. 115. ORDER THEREON, 9th November 1859, No. 2625.

Ordered that the foregoing letter be recorded.

(Signed) J. D. BOURDILLON,
Secretary to Government.

From the
The Chief Engineer
To the Secretary to Government
Public Works Department

Sir,
I have the honor, with reference to
the Order of Government as for the
when I became aware of the misbehavior of the
and Soda Sub Overseers in Timenelly in refusing to
place money in the hands of a Collector I caused a letter
to be addressed to the Acting District Engineer, request-
ing him to take measures for the prevention of this
objectionable practice, and to report any further instances
of it that might be brought to his notice, intimating
to the Sub Overseers that such offences would when
known be immediately punished.

2 The passage in the Administration Report
referring to Captain Bean must have escaped my notice,
or I should certainly have pointed out to that Officer
the

the importance of his suggestion.

The Minute of the Honorable the Governor and the Order of Government will, as directed, be communicated to the Officers concerned with a request for an explanation from the Acting District Engineer of Engineering, and will be circulated to the Department.
