*Proceedings of the Madras Government, Public Works Department,
for the month of November 1859.*

No. 118. Read the following letter from Lieutenant-Colonel CUTHBERT DAVIDSON, Resident at Hyderabad; to J. D. BOURDILLON, Esq., Secretary to Government, dated Hyderabad Residency, 25th October 1859, No. 1565.

I have the honor to acknowledge the receipt of your letter of the 20th instant, No. 2473, with its enclosure from Mr. Watson, and beg to be favored with some further information on the subject to which it refers.

2. If I am correct in understanding Mr. Watson's meaning, he wishes for exemption from the 5 per cent. advalorem customs, which are leviable by Treaty once within the Nizam's territory, his request cannot be complied with, as he has already been informed, in reply to a letter received from him direct on the subject.

3. I beg to observe that as a matter of course, the goods conveyed by Mr. Watson are not liable to transit duty unless purchased and sold in His Highness' territory.

No. 119. Ordered in consequence that the following letter be despatched.
From J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George; to Lieutenant-Colonel C. DAVIDSON, Resident at Hyderabad, dated 9th November 1859, No. 2627.

In reply to your letter of the 25th October, I am directed to point out to you that Mr. Watson's request, stated in his letter to me dated October 7th, and supported by this Government, in mine of the 20th idem to your address, was only exemption from Sáyr or transit duties; not from the 5 per cent. customs duty leviable under the Treaty of 1802, on goods entering or quitting the Hyderabad territory.

2. Mr. Watson's object, as understood by this Government, is to obtain protection from the illegal exactions which his experience leads him to anticipate on the part of the local chiefs and subordinate servants of the Sarkár; and such protection, this Government hope you will obtain for him.
