*Proceedings of the Madras Government, Public Works Department,
for the month of November 1859.*

No. 16. Read the following Proceedings of the Madras Government in the Public Department, dated 5th November 1859, No. 1669.

Communicating the first 2 paragraphs of a letter from the } (Vide Public Proceedings from 1st to 10th
Collector of Malabar, reporting the realization of Rupees } November 1859, Nos. 31-32.)
3,578-8-0 on account of the proposed Civil Dispensary at
Tellicherry and fixing on a site for the building.

No. 17. ORDER THEREON, 11th November 1859, No. 2642.

Ordered to be communicated to the Chief Engineer with reference to the order of Government dated 4th June 1859 No. 1366.

(Signed) W. C. SIM,
Ag. Dy. Secretary to Government.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from P. GRANT, Esq., Collector of Malabar; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Wandoor, 17th October 1859, No. 105.

With reference to the Order of Government, dated 20th Ultimo, No. 1451, I have the honor to report, that a sum of Rupees 3,578-8, has been realized on account of the proposed Civil Dispensary at Tellicherry, a sum, it will be observed, considerably in excess of that promised at the outset, and adverted to in my letter dated 21st April last. Doctor Ross, the Civil Surgeon, anticipates being able to collect a further sum of Rupees 200 at no distant period towards this object.

2. In advertence to paragraph 6 of Government Order, dated 20th May last, I beg to state that, as there is no suitable building available for the proposed Dispensary, it will be necessary to erect one for the purpose, and with this view a site, called Forsyth's Hill, has been fixed on. The site in question is Government property and in every way, with the exception of its distance being about a mile from the town of Tellicherry, suitable for the object in view. This objection cannot, however, be obviated, as there is no other site possessing equal advantages which can be substituted for it.

3. I have now to request the sanction of Government to the measure proposed by Doctor Ross, through the Civil Judge of Tellicherry, of hiring a house in the town, at a rental of Rupees 12 per mensem, for the accommodation of in-patients, until a suitable building can be erected for the purpose. The Civil Judge in a letter to my address, under date the 13th Instant, on the subject, observes as follows:—

“ I would earnestly second the recommendation. Doctor Ross has, for some months past, “ been in the habit of allowing accommodation to indigent patients under his care, in his own “ house, or on his own premises, and the paucity of convicts—patients in the Jail Hospital—has “ also enabled me to allot to him the verandah of that building for the same purpose; but it is “ neither desirable nor possible, that this arrangement should continue,” and, again, with reference to the rent of the house (Rupees 12) proposed to be taken up by Doctor Ross, he remarks that, “ this sum, it is to be observed, is less than the interest at 5 per cent on the amount of “ subscriptions collected, (Rupees 3,578-8), which can be paid into your Treasury at any time “ that Government may direct.” Under the circumstances above stated, I trust Government will be pleased to accord their sanction, to the renting of the building adverted to, as well as to the entertainment of an establishment for the proposed Dispensary, to which there is, I presume, no objection, as the condition set forth in their Order of the 20th Ultimo, No. 1451, has been complied with.

4. In the event of Government adopting the above views, it will be necessary to invest the money subscribed and collected in the 5½ per cent Government Loan, a point on which instructions are solicited.

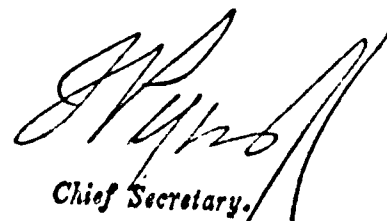

ORDER THEREON, 5th November 1859, No. 1660.

The first two paragraphs of the above letter will be communicated to the Public Works Department, in reference to paragraph 5 of the Order of the 20th May last, No. 790.

2. Government approve the investment of the contributions realized in the 5½ per cent Loan, which should be in the name of the Collector of the District for the time being. The interest to be thus derived will be appropriated to renting a building, temporarily, for the accommodation of patients.

3. Under this arrangement, the Director General of the Medical Department will proceed at once to provide the establishment sanctioned for the Dispensary.
