The Government having by Order No. 3537, dated 4th instant, sanctioned the general arrangements proposed for the construction of the new Public buildings and lines, and the purchase of ground at Mangalore for the Cantonment, I have now the honor by order of His Excellency the Commander-in-Chief to request, that Orders may be issued by order of His Excellency the Quarter Master General's letter dated 15th ultimo, for the purchase of the sums specified in the advance of Rupees 8,720 for the erection by the 51st Regiment, of the new lines ordered, to be recovered from the men in the way that payment for Huts purchased from another Corps is recovered. The lines are to be thatched because the cost of tiling will be quite out of the men's power to pay for.

Early orders are solicited on account of the necessity that exists for completing the lines before the next rains in May.

The Governor in Council sanctions the purchase through the Revenue Department; of the land required for the site of the proposed new lines at Mangalore, at a cost not exceeding Rupees (2263-3-9) two thousand and sixty three, Annas three, and Pies nine.

2. The Governor in Council sanctions the advance of Rupees (8720) eight thousand seven hundred and twenty required for Hutting the 51st Regiment Native Infantry, on the understanding that the regulated Hutting allowance for the Corps is included in that sum.

3. The Governor in Council observes with regret, that the new lines cannot be tiled.
