*Proceedings of the Madras Government, Public Works Department,
for the month of November 1859.*

No. 128. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer ; to J. D. BOURDILLON, Esq., Secretary to Government, dated 15th November 1859, No. 7282.

I have the honor to report that Messrs. Rodham and Tyndall, Probationer Engineers of the 1st class, who arrived from England last month, and who have been appointed to do duty in the Godavari division, have been waiting in hopes of getting a passage to Kakináda in a Government steamer. It does not appear probable that there will be one for some time, and they therefore hope the Government will give them passages in the "Governor Higginson" steamer, which it is expected will leave this about the 22nd instant.

2. I also request that a passage may be sanctioned in the "Governor Higginson" to Masulipatam for Lieutenant A. J. Filgate, Engineers, appointed to do duty in the Kistnah division.

3. Messrs. Rodham and Tyndall solicit permission to draw their salary for the current month before leaving Madras, for which I request the sanction of Government.

No. 129. ORDER THEREON, 19th November 1859, No. 2702.

The Government authorize the provision of a passage on board the steamer "Governor Higginson" for Messrs. Rodham and Tyndall to Kakináda, and for Lieutenant Filgate to Masulipatam.

2. The Government also permit Messrs. Rodham and Tyndall to draw their salary in advance for the current month.

(Signed) J. D. BOURDILLON,
Secretary to Government.
