G.O. No.	2711	Press <u>Mis.</u>
<i>9-11</i> Dated	21-11	1859.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
for the month of November 1859.*

No. 9. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 15th November 1859, No. 7271.

Major Sankey, Executive Engineer at Moulmein, lately wrote to Mr. Kennedy 1st Assistant District Engineer of Chingleput, requesting him to send over a number of carts for the public works at Moulmein. Major Sankey also addressed me privately on the subject, and Mr. Kennedy has been engaged in making up the carts, as I believe that he could not purchase such as were required.

2. The amount of money remitted by Major Sankey being insufficient, Mr. Kennedy has applied to the District Engineer for permission to use the money at his disposal for public works for the completion of the carts; but of this request submitted by the District Engineer for orders I cannot approve.

3. As, however, I am aware that the carts are much required for the public service, I think it proper to recommend that an advance for the work may be made to the extent of Rupees 1,000 to be repaid by Major Sankey's expected remittance.

No. 10. ORDER THEREON, 21st November 1859, No. 2711.

The Accountant General will be requested accordingly to advance one thousand (1,000) Rupees to Mr. Kennedy, and to adjust the advance in his accounts with the Government of Bengal. Advice of the disbursement will be immediately given to that Government.

(Signed) J. D. BOURDILLON,
Secretary to Government.

No. 11. Ordered in consequence that the following letter be dispatched.
From J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George; to the Officiating Secretary to the Government of Bengal, D. P. W., dated 21st November 1859, No. 2712.

I am directed to state that on a requisition from Major Sankey Executive Engineer at Moulmein, Mr. Kennedy of the Public Works Department of this Presidency is engaged in making up carts for the Public Works Department at that place. The amount advanced by Major Sankey being one thousand Rupees, having been exhausted, this Government have on the application of Mr. Kennedy through the Chief Engineer, directed the Accountant General to advance a further sum of one thousand Rupees for the purpose, and to adjust the advance in his accounts with the Government of Bengal.
