*Proceedings of the Madras Government, Public Works Department,
for the month of November 1859.*

No. 60. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer ; to J. D. BOURDILLON, Esq., Secretary to Government, dated 19th November 1859, No. 7472.

I have the honor to forward for submission to Government, the accompanying letters from the District Engineers of Salem and Chingleput, requesting authority for the entertainment of two gumastas in range offices.

From the District Engineer, Salem, dated 31st October 1859, No. 726.
From the District Engineer, Chingleput, dated 7th November 1859 No. 1219.

2. The District Engineer of Salem has nominated Partasaradi Nayadu as acting gumasta, on the salary of Rupees 15 for the Salem range office. In consequence of the vacancy of draftsman in his own office, he was obliged to make temporary arrangement to supply that place, and under this arrangement the gumasta of the Salem range is appointed to act as second writer of his own office, and he requests permission to entertain the above named unpassed candidate as acting gumasta in the Salem range office, until a passed candidate can be obtained for that post or until a draftsman can be obtained for his own office.

3. The District Engineer of Salem has been requested to place himself in communication with that of the Godavari division, with a view to obtain the services of one of the three draftsmen thrown out of employ there, by the constitution of the range establishments ; but until the services of one are obtained, authority is required for the employment of Partasaradi Nayadu as acting gumasta of the Salem range office.

4. The District Engineer of Chingleput requests authority to employ survey apprentice Nadamoony as gumasta on Rupees 15 in the Poonamallee range office. It appears that he has advertized both in the Fort Saint George and District Gazettes, but that no applicants have come forward ; and he, therefore, requests that Nadamoony may be exempted from the uncovenanted service examination rules in order to remove any objection on the part of the Civil Auditor to pass his salary.

5. Nadamoony was entertained as an apprentice in the late eastern canal department and since its abolition was transferred to the Chingleput district. He studied for a few months in the Civil Engineering College, but failed to attend at the last entrance examination at the proper time on the day fixed, on account of the death of his father on the same day. Having been, therefore, excluded from the school, I ordered his retention in the district till the next entrance examination, but as the District Engineer requires his services as a gumasta in the Poonamallee range establishment, none other being found to fill the vacancy, I recommend that the District Engineer's request may, as a temporary measure, be complied with.

No. 61. ORDER THEREON, 24th November 1859, No. 2737.

Ordered to be referred to the Public Department.

Enc: 2 Letters
from the Dist. Engineer

Salem dated 21 October 59
No. 726.
From the Dist. Engineer.
Chingleput dated 7 Nov
1859. No. 1219.

Sir, I have the honor to forward for sub-
mission to Government the accompanying letters from
the District Engineer of Salem and Chingleput re.
requesting authority for the entertainment of two persons
taken in Range Offices.

2. The District Engineer of Salem has
nominated Parasuradi Nayadu as Acting Hoomastah
on the salary of Rupees 15 for the Salem Range Office.
In consequence of the vacancy of Draftsman in his
own Office he was obliged to make temporary arrange-
ment to supply that place and under this arrangement
the Hoomastah of the Salem Range is appointed to act
as Second Writer of his own Office and he requests per-
mission to entertain the above named untrained candi-
date as Acting Hoomastah in the Salem Range Office
until a trained candidate can be obtained for that post

or until a Draftsman can be obtained for his own Office.

3. The District Engineer of Salem has been requested to place himself in communication with that of the Godavery Division with a view to obtain the services of one of the three Draftsmen known out of employ there by the constitution of the Range Establishments; but until the services of one are obtained, authority is required for the employment of Parbasaradi Koydu as Acting Goornastah of the Salem Range Office.

4. The District Engineer of Chingleput requests authority to employ Survey Apprentice Adammoo as Goornastah on Rules 15 in the Poonamallee Range Office. It appears that he has advertised both in the Port Saint George and District Gazettes, but that no applicants have come forward; and he therefore requests that Adammoo may be exempted from the Unconvenanted Service Examination Rules in order to remove any objection on the part of the Civil Auditor to pay his salary.

5. Adammoo was entertained as an Apprentice in the late Eastern Canal Department and since its abolition was transferred to the Chingleput District. He studied for a few months in the Civil Engineering College but failed to attend at the last entrance examination at the proper time on the day fixed on

account

account of the death of his father on the same day. Having been therefore excluded from the School, he ordered his retention in the District till the next entrance examination, but as the District Engineer requires his services as a Goornastah in the Poonamallee Range Establishment, none other being found to fill the vacancy, I recommend that the District Engineer's request may, as a temporary measure, be complied with.
