*Proceedings of the Madras Government, Public Works Department,
for the month of November 1859.*

No. 181. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer;
to J. D. BOURDILLON, Esq., Secretary to Government, dated 5th November 1859,
No. 6959.

I have the honor to transmit herewith the report of expenditure upon Public Works and
of the amount of bills received for the month of August last, and
1 Form P. in doing so, I beg to express my regret, that I am unable to com-
ply with the requisition of Government in Proceedings of 3rd instant, No. 2586, (which was
received this morning) that to this statement a short memorandum be appended, shewing in what
month the works for which bills are shewn to be due were completed.

2. Reference would require to be made to the District Engineers for the necessary infor-
mation, and rather than delay the submission of the present return, which is now nearly 2 months
over due owing to some of the District Engineers having only lately forwarded Form O, from
which the enclosed is prepared. I think it best to transmit it at once, and shall call upon the
District Engineers to supply the required information with their statements for September and
all following months, so that all future Forms P. shall have the memorandum called for attached
to them.

3. The District Engineer's attention will also be particularly directed to the other para-
graphs of the Proceedings of Government above mentioned.
