102	February 13..	Constructing a Church at Motacherry in the Cantonment of Bangalore.											Two Bills amounting together to Rupees 5,400 have already been passed in the Central Office, which, with the Bill now sent make up Rupees 10,870-15-2, being in excess of 6¼ per cent, which is owing to a slight change made in the building to give the Church a better appearance as an Ecclesiastical Edifice, as shewn in the accompanying plan of the building as intended and as actually constructed, also from a better finish of the Pulpit and reading desk as will appear from the plans thereof. The excess is trifling compared with the work, which appears to have been well done and is recommended for sanction.
