B.No 103-104

Dated 16-12- 1939.

**Not to be folded or roughly handled**

No. 103. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 28th November 1859, No. 7704.

1 Original letter from the District Engineer of Salem, No. 774, dated 15th November 1859.
1 Plan.
1 Abstract estimate.
1 Report do.

I have the honor to forward for submission to Government, a plan and estimate amounting to Rupees (1,300) one thousand and three hundred, for constructing a new ferry boat at Moganoor on the Kaveri, in the district of Salem.

2. The proposed boat is intended to replace one which was built in 1852 at a cost of Rupees 556-2. The old boat is stated to be throughly rotten and worthless; the new one is, therefore, absolutely necessary, the ferry being on an important line of communication between Salem and Dindigul viâ Caroor.

3. The estimate has been examined in this office, the rates therein given are those obtaining in the Salem district and though the cost of the boat will be so much more than before, it is not more than that of a Tanjore boat of good model and construction. I beg, therefore, to recommend Government will be pleased to sanction the amount, viz. Rupees (1,300) one thousand and three hundred, for entry in the budget for 1860-61.

---

No. 104. ORDER THEREON, 16th December 1859, No. 2927.

As a new boat is stated to be necessary, the Governor in Council authorizes the admission of the estimate of Rupees (1,300) one thousand and three hundred submitted with this letter, into the budget. The entry will be made in the Government office.

2. Before sanctioning the execution of the work, however, the Government must receive further information on the subject. The boat now in use is stated to have cost Rupees 556. Above double this sum is asked to build another to supply its place; and the Chief Engineer will be requested to explain particularly the cause of this large difference in the two amounts. This information ought to have been submitted in sending up the estimate.

(Signed) J. D. BOURDILLON,
*Secretary to Government.*
