Proceedings of the Madras Government, Public Works Department, for the month of December 1859.

No. 119. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 7th December 1859, No. 8043.

I have the honor to state for the information of Government, with reference to their order, dated the 17th November last, No. 2682, that I am informed by Lieutenant Colonel Birdwood, to whom Trivengadata Iyengar is well known that he is a good accountant, that he kept the lower Coleroon anicut accounts in good order, and that with his duties as Ameen, he had charge of other works in the Combaconum táluq, which he performed to his satisfaction.

2. The recommendation roll submitted by the District Engineer and adverted to by Government, is in a form which is now in disuse and in which the qualification of persons for admission into the department as Sub-Overseers in 1857 was reported. There appears now no necessity for any new forms, as under the present rules none can be admitted into the department, but those who have passed the prescribed college examination in which the knowledge of the system of keeping the Public Works accounts forms an indespensible acquirement.

3. I beg, therefore, to recommend that the appointment of Trivangadata Iyengar as Sub-Overseer, may be confirmed by Government.

No. 120. ORDER THEREON, 17th December 1859, No. 2935.

On the report now made by the Chief Engineer, the Government confirm the appointment of Trivengadata Iyengar to be a Sub-Overseer of the 2nd class 3rd grade in the Tanjore district. The Civil Auditor will pass his abstract accordingly.

Secretary to Government.
