Proceedings of the Madras Government, Public Works Department, for the month of December 1859.

Read the following letters.

No. 30. From Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 28th November 1859, No. 7701.

I have the honor to forward herewith two estimates, amounting respectively to Rupees 350 and 560, for the completion of the Chodaveram and Nuckapilli police kachahrís in the district of Vizagapatam.

1 Letter from District Engineer, Vizagapatam, 24th October 1859, No. 641, with 3 enclosures.
2 Abstract estimates.

2. It will be observed from the District Engineer's letter of the 24th ultimo, No. 641, (herewith forwarded), that the building of the above kachahrís, originally sanctioned by Government on the 14th November 1854, No. 816, and entered in the budget of 1856-57, was given on contract during the administration of Mr. Smollett, late Collector of Vizagapatam, and that every endeavour on the part of the District Engineer to compel the contractors to complete the buildings, or to refund any portion of the advance made, has proved unavailing. The contracts entered into by the parties are reported to have been drawn up so informally, that there seems but little or no probability of enforcing a fulfilment of the provisions thereof, more especially as the original contracts are stated to have been lost by the Collector, copies only being forthcoming.

3. Under the above explanation, I beg that sanction may be granted for the entry of the works referred to in paragraph 1, in the budget of 1860-61. The estimates have been duly examined and found to be moderate but sufficient.

4. The District Engineer reports that he has addressed the acting Collector on the subject of the enforcement of the provisions of Act No. XIII of 1859, in the case of the contractors referred to above, and promises to communicate to this office the result of this reference. On receiving intimation thereof, I shall address the Government further on the matter.

No. 31. From Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 2nd December 1859, No. 7900.

With reference to paragraph 5 of the proceedings of Government, dated 28th ultimo, No. 2772, I have the honor to inform you that the information therein required respecting the police kachahrís at Vizagapatam was submitted with my letter of the 28th idem, No. 7701.

No. 32. ORDER THEREON, 22nd December 1859, No. 2974.

Under the circumstances reported, the Government sanction the two estimates of 350 and 560 Rupees for the completion of the Chodaveram and Nackapilli police kacharís in Vizagapatam.

Secretary to Government.
