Proceedings of the Madras Government, Public Works Department, for the month of December 1859.

No. 65. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 13th December 1859, No. 8299.

1 Original Proceeding, Board of Revenue, No. 3576, dated 27th September 1859
1 Original Proceeding, Board of Revenue, No. 4742, dated 19th November 1859, with its enclosures.
No. 3876, dated 27th September 1859.

Having been called upon by the Board of Revenue in their proceedings marginally noted, to give my opinion regarding the construction of stables to the Tindivanum and Oolondoorpett bungalows on trunk road No. 8, in the district of South Arcot, on an estimate amounting to Rupees 500. I regret to be obliged to dissent from theirs therein expressed.

2. It seems to me no sufficient reason that because travellers are required to pay a small sum for the occupation of a furnished bungalow, they should complain of the want of stabling there more than at other bungalows, moreover, furnished bungalows have been instituted, I believe, for the convenience of dawk and transit travellers, who travel too hurriedly to provide comforts for themselves, and therefore, are not likely to be taking horses and equipages with them; and at a time when funds are wanting for other and much more important works, I cannot recommend even the trifling sum for the construction of two stables to be expended.

No. 66. ORDER THEREON, 24th December 1859, No. 2991.

The Government concur with the Chief Engineer that the bungalows in question cannot be made exceptions to the general rule.

Secretary to Government.
