Dated 24-12-1858.

Not to be folded or roughly handled

No. 70. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 13th December 1859, No. 8271.

Agreeably to the Proceedings of Government, dated 8th ultimo, No. 2617, I have the honor to forward herewith a letter from the District Engineer, Bellari, giving cover to one from the Collector, containing the information required by Government respecting the assessment of the land capable of irrigation from the Cherlapulli Muzrah, in the Raidroog táluq of the Bellari district, and the amount actually collected from it for ten years prior to the destruction of the channel in 1851.

1 Letter from District Engineer, dated 1st December 1859, No. 357, with its enclosure.
Assessment varied from Rupees 267 on 26 acres to Rupees 163 or 16 acres for two crops.
Collections varied from Rupees 198 to 123.

2. No reduction has been made in the assessment of the land, and the expected revenue of Rupees 130 as mentioned in my former letter, is calculated for one crop.

No. 71. ORDER THEREON, 24th December 1859, No. 2993.

The Government sanction the estimate amounting to Rupees (590) five hundred and ninety for clearing the old channel at Cherlapulli Muzrah in the Raidroog táluq of the Bellari district and for constructing two sluices for its improvement in connection with the Cherlapulli channel in the bank of the Nagalapur supply channel.

2. The amount will be disbursed out of the district repair allowance.

(Signed) J. D. BOURDILLON,
Secretary to Government.
