Fort Saint George, Public Works Consultation of 4th January 1859.

No. 60. Read the following letter from Lieutenant-Colonel E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 14th December 1858, No. 6304.

SIR,

• No. 1300 dated 8th December 1858. I have the honor to forward, for the information of Government, copy of a letter* from the Officiating District Engineer of Trichinopoly, reporting the "most considerate offers of assistance" he had received from the Revenue Authorities in executing repairs of works damaged by late inundations.

Letter From Captain F. J. MOBERLY, Acting District Engineer Trichinopoly; to the Chief Engineer, dated 8th December 1858, No. 1300,

SIR,

In acknowledging Extract Minutes Consultation No. 2503, dated 24th November 1858, I think it but just to the Revenue authorities of Trichinopoly to inform you that I have received the most considerate offers of assistance from them, for the repairs of works damaged by the late inundations, and that my Executive Officers have availed themselves of them wherever they found their hands too full.

2. I regret that from my not having more distinctly mentioned this, the Revenue Authorities of Trichinopoly should even appear to have been more backward than those of Salem and Tanjore.

No. 61. ORDER THEREON No. 30; dated 4th January 1859.

Ordered that the foregoing letter be recorded.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.
