No. 32. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 23rd February 1859, No. 8094.

SIR,

As directed in Extract Minutes Consultation of the 14th February 1859, No. 377, I have the honor herewith to forward the report from the District Engineer of the Kistnah Division, on which the application contained in my letter of the 11th Instant No. 7792 was founded.

2. This report was not before submitted because Captain Chambers in it not only gives no particulars, but found his application on the untenable grounds of the expenditure for repairs last year having fallen short of the collective sum allowed to his Division, and that hence the balance was available at my discretion.

Letter from Captain O. S. CHAMBERS, Acting District Engineer Kistnah Division; to Colonel C. E. FABER, Chief Engineer, dated Bezoarah 27th January 1859, No. 118.

SIR,

Finding that the amounts allotted for expenditure on "repairs" during the present Official year in the Districts of Masulipatam and Guntoor Rupees 80,292, and Rupees 59,300, respectively, are running short, there being on the 1st of January but Rupees 46,792, in hand for disbursement in both Districts during the 4 months when so much has to be done in the way of clearing channels, and in repairing the annicut itself, I am induced to apply to you for permission to spend the balance still unspent of the amount allotted to the two Collectorates for repairs in 1857-58, which by my calculation is above 18,000 Rupees.

2. The subjoined Memo will show nearly what the sum actually is, and your sanction for its expenditure or in case of your not being able yourself to grant me this permission your application to Government for the same, would allow many works of repair in this Division, that are already sanctioned, to be finished off before the first of May, which, owing to the want of funds, must, under present circumstances, stand over till next Official year.

Repairs for 1857-58.

	Amount authorized.	Amount Expended.
Masulipatam.....*	1,05,637	62,680
Guntoor.....	61,309	85,779
	1,66,946	1,48,459
	1,48,459	
	<u>18,487</u>	

* Memo. the total amount allotted to the 15 Talooks of Masulipatam was Rupees 1,48,803, but from this a proportionate deduction has been made for the 4 talooks located in the Godavery Division.

No. 33. ORDER THEREON, No. 470; dated 1st March 1859.

In accordance with the Chief Engineer's recommendation the Governor in Council authorizes the expenditure of 20,000 Rupees on Irrigation works in the Kistnah Division in the Current Official year, in excess of the sum allowed in the Budget, which for the reasons explained is unduly low.

Secretary to Government.
