Fort Saint George, Public Works Consultation of 8th March 1859.

Read again the following papers.

From Lieutenant F. TYRRELL, Executive Engineer, Berar, dated 14th December 1858, and recorded in Diary to Consultation, 18th January 1859, No. 119.

From the Civil Auditor, dated 21st January and recorded in Diary to Consultation, 8th February 1859, No. 315.

No. 79. Read also the following letter from J. L. LUSHINGTON, Esq., Acting Civil Auditor; to J. D. BOURDILLON, Esq., Secretary to Government, dated 23rd February 1859, No. 95.

Sir,

With reference to Extract Minutes of Consultation, dated the 5th Instant, No. 315, Public Works Department, requiring me to report, how the rules in force in 1856, bear on the claim to Tentage, preferred by Lieutenant Tyrrell, on its three several parts, I have the honor to report as follows: The grant of Tentage to that Officer, from the 1st to 15th February, during his detention at Madras on duty; cannot apparently be passed, as he was not, as is required in para. 3, Section 12, Head "Civil Engineer," of the Pay and Audit Regulations, "actually under canvass." From 16th February to 31st March, the period occupied in travelling from Madras to Bellary, this Office would, supposing the Chief Engineer to have sanctioned his Tentage, have admitted it at the rate of Rupees 3 per diem; but all claims to Tentage preferred by Officers of that Department, must be determined and passed by the Chief Engineer, previous to this Office passing them finally.

With respect to the claim for the period of Lieutenant Tyrrell's stay at Bellary, from 1st to 11th April, I would beg to observe that there is no rule under which this Office could have admitted it.

No. 80. ORDER THEREON No. 515; dated 8th March 1859.

Under the Report of the Civil Auditor, the Government sanction the grant of Tentage to Lieutenant Tyrrell, at Rupees 3 per diem, from the 16th of February to the 31st of March 1856, the same to include the sum already passed to that Officer for 30 days of the above period, under Extract Minutes of Consultation, 23rd September 1858, No. 1956.

2. Ordered that the above Resolution and the Civil Auditor's report of the 23rd February 1859, be communicated to Lieutenant Tyrrell, through the Central Office.

(Signed) J. D. BOURDILLON,
Secretary to Government.
