2928

Dated 11—3— 1859.

Not to be folded or roughly handled

Fort Saint George, Public Works Consultation of 15th March 1859.

No. 27. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 17th February 1859, No. 8004.

SIR,

In acknowledging the receipt of Extract Minutes Consultation, No. 2620, dated 4th December last, I do myself the honor to bring to the notice of Government, that as the decision arrived at by Captain Francis in paras. 3-5-6 and 7 of his Report, forwarded with Colonel Lawford's letter, No. 5476, dated 16th November 1858, was altogether in favor of the claims made by the undermentioned Contractors, these individuals have requested that steps might be adopted for the disbursement to them of the sums due, as follows:

Mahindravaudy Channel.

	Rs.	A.	P.
Iyasawmy Moodelly...	2,180	8	5
Annasawmy Moodelly...	7278	1	5
Moonesawmy Chetty and Tucka Reddy...	4,239	2	7
Rupees.....	13,697	12	5

but as it will doubtless be impossible for Mr. Dopping to liquidate so large a debt as the above from the General Funds at his disposal, I respecfully solicit the sanction of Government for that amount, viz., Rupees (13,697-12-5) Thirteen thousand, six hundred and ninety-seven, annas twelve and pice five, being placed at the disposal of the Acting District Engineer, North Arcot, in addition to the sum sanctioned for the current years expenditure, to enable him to meet the demands as adjudicated by Captain Francis.

No. 28. ORDER THEREON, No. 541; dated 11th March 1859.

The Governor in Council directs that the sum of Rupees (13,697-12-5) thirteen thousand, six hundred and ninety-seven, annas twelve and pice five, reported by Captain Francis to be due to certain Contractors in North Arcot for work done to the Mahindravaudy Channel and Tank, be disbursed from the funds conditionally allotted to that District for the current year. His Lordship in Council does not consider it necessary to make a separate grant for the purpose, as requested by the Chief Engineer. If the funds should eventually fall short, and a further grant should be required, Colonel Faber will report the fact to Government, submitting at the same time a Statement showing the particulars of the expenditure.

(Signed) J. D. BOURDILLON,
Secretary to Government.
