1-M

Fort Saint George, Public Works Consultation of 15th March 1859.

No. 46. Read the following Memorandum from Major W. J. BIRDWOOD, Acting Superintending Engineer, Southern Circle; to J. D. BOURDILLON, Esq., Secretary to Government, dated 16th February 1859, No. 7957.

In reply to the Deputy Secretary's Memo. of this days date, the Acting Superintending Engineer, Central Circle, has the honor to state that the Plan and Estimate for lengthening the Tunnel at the N. E. Angle of the Fortress were sent to the Garrison Engineer on the 10th Instant.

2. The Garrison Engineer's Office being closed for the Trivuttoor feast it has been found impossible to recover the Plan and Estimate for *immediate* transmission as requested, but they shall be obtained and forwarded at an early hour to-morrow.

No. 47. ORDER THEREON, No. 551; dated 12th March 1859.

In para. 2 of his Official Memorandum, dated 16th February 1859, No. 7957, the Acting Superintending Engineer of the Central Circle states that the Garrison Engineer's Office was closed for the Tiruttoor feast. The Government also learn that the Central Office, with the exception of a small portion of it connected with the Record Department, was allowed leave on the 24th Ultimo, on account of the Flower-show at the Horticultural Gardens. These occasions are not included in the authorized list of Holidays, and the Governor in Council resolves to call upon the Chief Engineer for explanation, as to the circumstances under which the orders, contained in Extract Minutes Consultation, dated 1st December 1858, Public Department, No. 1490, were departed from.

P. W. E. M. C. 6th December 1858, No. 2637.

(Signed) J. D. BOURDILLON,
Secretary to Government.
