Fort Saint George, Public Works Consultation of 15th March 1859.

No. 52. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 15th February 1859, No. 7910.

SIR,

1 Abstract Estimate,
1 Extract Proceedings of the Board
of Revenue, No. 372, dated 1st February 1859.

I have the honor to submit for the sanction of Government, an Estimate amounting to Rupees (800) eight hundred, for repairing the Travellers Bungalow and Out-houses at Poonamallee. The District Engineer of Chingleput states, that the repairs are absolutely necessary, the Travellers having not unfrequently complained of the uninhabitable state of the building. As Government in Extract Minutes Consultation, No. 966, dated 14th July 1858, have ordered its retention, notwithstanding the line of communication on which it stands has been superseded by the Railway, and it not being within the competency of the Chief Engineer to sanction the Estimate in question, which is above $\frac{1}{4}$ of the value of the building, according to the last valuation, I beg to solicit that the Government will be pleased to accord their sanction for its execution, as recommended by the Board of Revenue, in their Extract Proceedings, No. 372, of the 1st Instant.
