No. 62. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 12th February 1859, No. 7805.

SIR,

I have the honor to submit for the orders of Government, the accompanying transcript of a letter received from the Municipal Commissioners, dated 7th December 1858, bringing to notice the dangerous state of the Northern Yerkenjairy Road, on the receipt of this communication, the District Engineer, Chingleput, was requested to submit an Estimate for the necessary repairs, and this he accordingly did, in his letter No. 1054, dated 24th December 1858, copy of which is now enclosed.

1 Copy of Letter from Municipal Commissioners, dated 7th December 1858.
1 „ from District Engineer, Chingleput, No. 1054, dated 24th December 1858.
1 Abstract Estimate.

2. As the work is urgently required to render the Road even passable, I beg the sanction of Government to the Estimate now forwarded, amounting to Rupees (900,) nine hundred, the rates allowed therein, having been examined, and found to be moderate and sufficient.

Letter from B. CARDOZO, Esq., and S. KRISHNAMAH CHARRIE, Municipal Commissioners for the Town of Madras; to Lieutenant-Colonel E. LAWFORD, Officiating Chief Engineer, dated Madras, 7th December 1858.

SIR,

We have the honor to annex for your information, copy of a Memo. from our Civil Engineer, bringing to notice the dangerous state of the Northern Yerookenjairey road, just beyond the Assessment limits.

No. 141.

MEMORANDUM.

The Civil Engineer begs to bring to the notice of the Municipal Commissioners the bad and dangerous state of the Northern (Yerkenjairy) Road, just beyond the Assessment limits. In his report of date 29th July 1858,* the Civil Engineer took occasion to bring this subject to the notice of the Municipal Commissioners, with a view to the District Engineer's attention being called thereto, but nothing having been done to that Road up to this time, he begs the *immediate* attention of the Chief Engineer may be called, to the unpassable state of the Road at the present time.

* On the letter from the Chief Engineer of the 22nd July 1858.

Leter from Captain A. S. MOBERLY, District Engineer of Chingleput; to Lieutenant Colonel E. LAWFORD, Officiating Chief Engineer, dated Guindy, 24th December 1858, No. 1054.

SIR,

With reference to Extract from your Proceedings, No. 6504 of the 22nd Instant, I have the honor to forward an Estimate amounting to Rupees 900, for repairing the portion of Trunk Road No. 6 therein referred to, which was received over from Major Worster, and for which an annual maintenance allowance of Rupees 166 was applied in my letter, No. 957 of the 7th Instant.

Fort Saint George, Public Works Consultation of 15th March 1859.

No. 63. ORDER THEREON, No. 559.; dated 12th March 1859.

The Right Honorable the Governor in Council sanctions the estimate, amounting to Rupees (900) nine hundred, submitted with this letter, for widening and repairing the road between 5th mile stone on Trunk road No. 6, and Veyasurpadee Tank Calingulah Channel Bridge, a distance of 400 yards.

(Signed) J. D. BOURDILLON,
Secretary to Government.

No 7805

From The Chief Engineer.

To The Secretary to Government P.W.D.

Sir

Have the honor to submit for the orders of Govern-
ment the accompanying transcript of a letter received
from the Municipal Commissioners, dated 7th December 1858,
bringing to notice the dangerous state of the Northern
Gyrookbeckey Road. On the receipt of this communication
the District Engineer Chingleput was requested to submit
an Estimate for the necessary repairs, and this Office
replied, in his letter No 10 54, dated 24 December 1858,
a copy of which is now enclosed.

2. As the work is urgently required to render the
road even passable, I beg the sanction of Government
to the Estimate now forwarded, amounting to Rupees 900
Nine hundred, this Office also submits, having been
examined, and found to be moderate and sufficient.

I have the honor to be,
Sir
Your most obedient
Servant
