Fort Saint George, Public Works Consultation of 15th March 1859.

No. 85. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 26th February 1859, No. 8150.

SIR,

No. 162, dated 8th December 1858, from the District Engineer, Tinnevelly.
Nos. 6364 and 7095, dated 16th December 1858, and 17th January 1859, to Government.
Extract Minutes Consultation, No. 48, dated 6th January 1859.

With reference to the correspondence marginally quoted, I have the honor to forward copy of a letter from the Acting District Engineer, Tinnevelly, No. 205, dated 7th February 1859, urgently requesting the sanction of additional funds* for carrying on repairs in that District.

Rupees 37,674.

2. It seems to me of the utmost consequence that the present season should not be lost, and I must add my support to Captain Payne's application.

1 Copy of a letter.

3. I would add that the amount (Rupees 37,674) includes the sum of Rupees 9,674 for the repair of three Roads specified in Lieutenant-Colonel Lawford's letter of the 16th December 1858, No. 6364, from which it was proposed that the restriction should be removed for execution in the Current official year.

Letter from Lieutenant G. M. PAYNE, Acting District Engineer, Tinnevelly; to Colonel C. E. FABER, Chief Engineer, dated 7th February 1859, No. 205.

SIR,

With reference to Captain Oake's letter, No. 162, dated 8th December 1858, in which a request was made that a sum of Rupees 37,674 should be allowed for expenditure on Public Works in this District in addition to the amount of Rupees 92,680 already sanctioned, for the Current official year, I have the honor to request that you will be good enough to procure the sanction of Government to the amount, as the working season is close at hand and it will be necessary to make arrangements as soon as practicable for the preparation of the necessary materials.
