Not to be folded or roughly handled

Fort Saint George, Public Works Consultation of 15th March 1859.

No. 91. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 14th February 1859, No. 7852.

SIR,

In forwarding, for submission to Government with reference to their orders as per margin,* transcrpit of a letter§ from the Special Executive Engineer at Jackatalla, giving cover to an Estimate of Rupees (534-6-8) five hundred and thirty-four, annas six, and pice eight, of the cost of Surveying and Levelling certain projects in the Jackatalla Range, I do myself the honor to recommend that sanction be accorded to the two first items specified therein, amounting together to Rupees (266-14-8,) two hundred and sixty-six, annas fourteen, and pice eight. With regard to the last item, viz., Sewage Culvert trace to Coonoor, I would beg to suggest that it be only provisionally authorized on the proposed arrangements being approved by the Superintending Engineer who was directed to proceed to Jacktalla in Extract from Minutes of Consultation, No. 290A, dated the 1st Instant.

* Nos 1434, 2278, and 2334, dated 23rd July, 28th October and 5th November 1858.
§ No. 283, dated 1st February 1859.

Letter from Captain J. CAMPBELL, Special Executive Engineer, Jackatalla; to Colonel C. E. FABER, Chief Engineer, dated Camp Jackatalla, 1st February 1859, No. 283.

SIR,

I have the honor to submit the Statement in the prescribed form for Surveying and Levelling the different Government projects, and request you will be good enough to sanction the amount, viz., Rupees (534-6-8) five hundred and thirty-four, annas six, and pice eight.

No. 92. ORDER THEREON, No. 574; dated 14th March 1859.

Before sanctioning the Estimate submitted with this letter of the cost of the Establishment required for Surveying and Levelling certain projects in the Jackatalla range, the Right Honorable the Governor in Council requests to be informed whether the Special Executive Engineer at that station has no Surveying Lascars or Draftsmen attached to his office. He also wishes for information in respect to the nature of the work on which the Coolies are proposed to be employed.

(Signed) J. D. BOURDILLON
