Brigadier Hamond, Commanding the Mount reports, that during the heavy rains in November last, whilst the repairs to Royal Artillery Horse Lines were in progress, the wall on the west or entrance side of the lines became saturated and broke down,—and that he requested the District Engineer to have it rebuilt, being emergently required—which he did, the Estimate amounting to Rupees 580. I have now the honor by desire of His Excellency the Commander-in-Chief to request, you will obtain the sanction of Government for this expenditure.
